

## FLAT SHEETS

Our standard flat sheet products are manufactured from 0.7mm pre-coated 1220mm wide coil and are 3000mm long. Alternative lengths can be provided, subject to enquiry.

Our flat sheet products are available in the following finishes:

- Plastisol
- Polyester – Juniper Green and Slate Blue
- Polyester White Liner
- PVDF Metallic Silver
- Galvanised

We can also supply Galvanised flat sheets 1250x3000mm in 1.5mm and 2.0mm.
